## Announcements

**Nancy Foster** opened the meeting with our prayer and pledge.

**President Maureen Patterson** asked **Chris Seward** to come forward to recognize our most recent Paul Harris Fellow updates.

**Chris Seward** presented the following new and "Plus" Paul Harris Fellowship recipients: **Mark Steil, Judith Daniel, Rusty Miller, Randy Ellington, Maureen Patterson, Margina Worley, Dave Denson and Rob Stallworth.** **Maureen Patterson** and **Rainer Schlichtherle** were recognized as Paul Harris Society members.

**Chandler Williams** updated us on the MMFF sponsor sales incentive program. **Dave Saunders** is sending members a You Tube video link to the club incentive program. The video covers the benefits available to \$1000.00 sponsors including tickets and eligibility for a resort vacation trip. Chandler also covered that the top two Midlothian Rotarians in sponsor sales will also qualify for the trips.

**President Maureen** had the following announcements.

The MMFF committee is on schedule and moving forward. The next committee meeting will be on August 9, at Stonehenge.

"My Rotary" had a lot of sign-ups since last week. Remember that we need 100% of the membership to sign up for "My Rotary."

Full committee reports will go out this week listing member assignments and committee chairpersons.

A "save the date" e-mail tag went out last week for members to add to their e-mail communication. **Monica Marks** reported that she had listed the event on her office Outlook system to 93 associates and had already received 10 commitments to attend.

MMFF tickets that are sold on-line require a club name and member's name. Our members will get sales credit for those on-line tickets. Paper tickets will be available soon.

The district grant for the "See Clearly Now" program has been approved for five Chesterfield clubs.

## Program -

**Tom Gallagher**, president and CEO of the Better Business Bureau of Greater Richmond presented our program. Tom started out by saying that senior fraud is one of the worst problems they deal with since it is an assault on people's dignity. He then spoke about ethics in business. Tom presented a video that BBB has prepared as a program to present to school and business groups. The video presented various business dilemmas that require professional and ethical business decisions.

Tom is also a board member of Families of the Wounded, a charity that we have supported. Our members have participated in their golf tournament. The 2016 tournament will be on September 12 at Brandermill.

## Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL  
and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
